A GUIDE TO ACADEMIC ATTIRE

The caps, gowns, and hoods worn at university functions date back to the Middle Ages. Monks and students of those days wore them to keep warm in the damp, drafty 12th-century castles and halls of learning. In this country, they are used today only for formal academic ceremonies.

VARIOUS DEGREES

Each college degree has a distinctive hood and gown. If more than one degree is held, the gown and hood of the highest degree are worn.

The gowns for the bachelor's degrees, have a square yoke with shirring across the shoulders and back. A bachelor's gown is primarily distinguished by its full open sleeves, which come to a point.

The holder of the master's degree, wears a gown with a yoke similar to the bachelor's, but the distinctive, long, narrow sleeves are closed at the end, and trail below the arms. The arm comes through a slit part way down the sleeve.

Gowns for the doctorate degree, carry broad velvet panels down the front and three velvet bars on the full bell-shaped sleeves. This velvet trim may be either black or the color of the field of learning to which it pertains.

ACADEMIC COLORS

It is the hood that gives color and meaning to the academic attire. A black shell, of varying sizes for the three degrees, is silk-lined with the colors of the institution conferring the degree. The hood is bordered with velvet of the color signifying the field of learning to which the degree pertains.

The border colors for the various academic disciplines are:

Arts, Letters, and Humanities	White
Accountancy, Business, and Commerce	Drab
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts	Brown
General Studies	Drab
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green
Music	Pink
Philosophy	Dark Blue
Physical Education	Sage Green
Science	Golden Yellow
Speech	Silver Gray
Theology	Scarlet

It is the field of learning, and not the department in which major work was done that governs the color of the velvet for the hood.

TASSELS

Students displaying colored tassels have fulfilled the requirements for receiving honors from Central Washington University. Students who are displaying red tassels are graduating *Cum Laude* or With Distinction. Those displaying silver tassels are graduating *Magna Cum Laude* or With High Distinction. Those displaying gold tassels are graduating *Summa Cum Laude* or With Highest Distinction. These awards are given to those students who have achieved high academic excellence.

SILVER CORTEGE

Leading the procession of graduates into commencement is the Silver Cortège, a select group of junior students who have achieved academic excellence at Central Washington University. Selection is based on grade point average. An additional criterion for the Ellensburg ceremony is the completion of 75-quarter credits at Central Washington University. We commend these students for their high degree of achievement.

MAIN CAMPUS COLOR GUARD

Immediately following the procession is the Color Guard. The Color Guard is composed of students from the United States Air Force Reserve Officer Training Corps and the United States Army Reserve Officer Training Corps. These programs are designed to prepare eligible students to assume the responsibilities of commissioned officers in the U.S. military.

THE MACE

Since the Middle Ages, the mace has served as a symbol of power and authority. Originally designed as a weapon of battle, it gradually assumed a more ceremonial role and was typically carried by kings and church leaders as a sign of office. Today, many legislative bodies such as the U.S. House of Representatives and the British House of Commons have maces, as do most universities.

Wilhelm Bakke, emeritus professor of industrial and engineering technology crafted Central's mace. It consists of a shaft of solid walnut, taken from a tree in the Kittitas Valley, surmounted by a four-sided headpiece plated in 24K gold. Three of the sides bear the letters, "C," "W," "U," while the fourth bears the university seal. Two of the sides are backed by the university colors, crimson and black, and the others by the color green, signifying the Evergreen State. The mace, on display outside the the Board of Trustees meeting room in Barge Hall, is used only for official university functions.

CENTRAL WASHINGTON UNIVERSITY

Docendo discimus, Latin for "by teaching we learn," is the motto and driving principle behind Central Washington University, one of six state-assisted, four-year institutions of higher education in Washington.

The university puts that motto to the test in its academic divisions: College of Arts and Humanities, College of the Sciences, College of Education and Professional Studies, and College of Business.

On March 28, 1890, Governor Elisha P. Ferry signed legislation that created the Washington State Normal School at Ellensburg. Its purpose then was defined as "the training and education of teachers in the art of instructing and governing in the public schools of the state."

Since the first class of 86 students entered in 1891, the school has grown into a comprehensive institution of higher education. Washington State Normal School became Central Washington College of Education in 1937, Central Washington State College in 1961, and achieved university status in 1977.

The university has kept a strong, positive, and constructive posture as it continues to serve its students, and carry out its mission as a responsive regional university. This is a tribute to a dedicated faculty involved in notable research and public service activities, students being prepared for a rapidly changing, high-technology society, academic programs being sustained and strengthened, and upgraded admission requirements.

The Ellensburg campus is comprised of 350 acres and is close to recreational opportunities. Central's four distinct seasons offer a variety of activities to those who enjoy the out-of-doors.

UNIVERSITY CENTER PROGRAMS

In 1974, Central Washington University began offering upper-division coursework to students in the Seattle area. Today, CWU University Centers have eight locations: CWU-Des Moines, CWU-Lynnwood, CWU-Moses Lake, CWU-Pierce County, CWU-Wenatchee, CWU-Yakima, CWU at Everett, and CWU at Kent. These locations provide access to higher education opportunities to time- and place-bound students, whose family or career obligations make it impossible for them to move to a residential college.

CWU University Centers serve over 2,000 students a year. While all students are invited to participate in the Ellensburg graduation ceremony, a Seattle-area ceremony is also held specifically for students graduating from CWU-Des Moines, CWU-Lynnwood, and CWU-Pierce County, CWU at Kent, and CWU at Everett.

SPRING & SUMMER GRADUATE DISCLAIMER

The listing of graduates, degrees, and academic honors for spring and summer 2011 are preliminary and subject to final degree requirement evaluations. The posting of the earned degree on the official transcript record in Registrar Services remains the official testimony of possession of the degree. The diploma of Central Washington University, signed and sealed by its appropriate officers, is a document bearing public notification of the degree.

Alma Mater

Unto thee our Alma Mater,
here we pledge devotion true.
Years may pass and time may bring
us many a task that's hard to do.

Still we'll sing the old songs over,
still we'll call the old days back.
Still we'll cheer the best of colors;
hail the crimson and the black.

Still we'll sing the old songs over,
still we'll call the old days back.
Still we'll cheer the best of colors;
hail the crimson and the black.

*hail the crimson
and the black*
